Kindness Education Coordinator

I began my journey with Ben's Bells after my brother, Paul, died by suicide in 2008. Through the amazing grief support community in Tucson, I met Jeannette, and I soon began working as a studio manager at Ben's Bells. It was the most healing, supportive environment I could have asked for. It changed my life. I had no idea how much it would heal me by helping heal others. I left for about 6 years, got my bachelor's degree in Vocal Performance at Portland State University, and began my singer/songwriter career. I am happy to be back in Tucson, playing music, and working with this incredible organization again.
